

Maricopa County Sheriff's Office Joe Arpaio, Sheriff

Date: June 9, 2009

THE REAL SHERIFF JOE JOINS TWITTER

(Phoenix, AZ) Faced with the fact that an imposter is posing as Maricopa County Sheriff Joe Arpaio on the wildly successful website, Twitter, the real Sheriff Joe has now joined the ranks of many fellow politicians in creating his own Twitter account.

“Real Sheriff Joe” will highlight the real goings on inside the Sheriff’s Office while the “faux” Sheriff’s site fills the internet with bogus, somewhat silly information that is currently being watched by nearly 1000 followers.

Arpaio says this new technology was brought to his attention after the daughter of Senator John McCain accused Arpaio of cyber stalking her on TWITTER. That story, which was totally untrue, found its way to news publications around the world requiring Arpaio to deny the allegations.

“It obviously has a following,” Arpaio says. “So why not use it to my advantage rather than disadvantage?”

Arpaio says he looks forward to the many people he will be able to converse with using this technology.
