News from the Sheriff's Office

Over the weekend, Maricopa County Sheriff Joe Arpaio traveled to Oklahoma City, Oklahoma as the key note speaker for their Law Enforcement Appreciation Days. While there the Sheriff also spoke to the Oklahoma Republic Party.

In appreciation, Oklahoma City Mayor Mick Cornett presented Sheriff Arpaio with the Key to Oklahoma City.

Arpaio was very impressed with hospitality of not only the public officials, but with the great people of Oklahoma. "I was honored to receive the Key to one of America's greatest cities, and I don't live in that city," says the Sheriff.
