Sheriff's Office Illegal Immigration Warrant Arrests

The Maricopa County Sheriff's Office today is reporting approximately 100 warrant arrests made during recent crime suppression and human smuggling operations. These warrants represent a portion of the total number cleared by the sole operations of the Sheriff's Office.

Since January 1, 2008, Sheriff Joe Arpaio's dedicated deputies cleared 7,872 felony and misdemeanor warrants, with another 2,883 warrants identified and cleared during routine jail operations.

"The number of warrants cleared by Sheriff's deputies and officers are proof of the tremendous success my Office achieves during daily operations," says Sheriff Joe Arpaio.
