***Voodoo Vixen from Vegas to Put Spell on Arpaio***

A woman who says she is a certified witch is coming to Tent City tomorrow (Halloween Day) to cast a spell on Maricopa County Sheriff Joe Arpaio.

"Magical Marissa" says believes it is within her powers as a witch to "soften the Sheriff's heart" so he will treat inmates better providing better food and generalized care.

She plans to give Arpaio a voodoo doll to empower the spell. She arrives at Tent City at 11AM and will then see the Sheriff in his downtown office at noon.
