Sheriff's Office Annual "Toys for Troops"

Saturday, December 8, 2007 Maricopa County Sheriff Joe Arpaio will handout tons of toys to the children of military families who have had either their mothers or fathers deployed into service. Other recipients of Sheriff Joe's toy drive will be children of Maricopa County employees. This year long effort by Sheriff's employees and community partner, Walgreen Drug Stores, not only bring joy to the families separated by war but provide a degree of financial relief.

The children will receive the donated toys from deputies, detention officers, and civilian employees starting at 4:00 PM at the PERA Club, 1 East Continental Drive, Tempe, hosted by the Salt River Project. Media is invited to attend the festivities and great gift giving fun that will light up the faces of these very special families.
