The investigation confirmed that the Deputy impounded the complainant's knee brace during her booking into MCSO custody. An incident therefore occurred; however, the employee's actions were found to be within Office policy and procedure. Review of the complainant's booking records and the investigative report also shows she was not arrested or charged with aggravated assault on a peace officer. Therefore, that allegation is not supported by the facts.	Not-Sustained	04/30/2026
