An order of confinement that allows the individual to self-surrender to serve a specified sentence.

Basic Information

1. Notify CHS in advance about healthcare issues by calling the Self Surrender line at (602) 876-6884. Messages are retrieved daily. Healthcare information may also be faxed to (602) 455-6147.

You may also bring a recent printout from your pharmacy. The CHS healthcare provider will prescribe the medication(s) or an equivalent substitute to be used while in custody.
3. Upon arrival at the jail, you will undergo a Medical Assessment which includes a questionnaire and an exam conducted by a healthcare professional.
4. If you have current medical problems that indicate the need for emergency evaluation, intervention, and/or hospitalization, you will not be accepted for booking.
5. For complete information on the self surrender process and requirements, contact the Maricopa County Sheriff's Office at the MCSO website www.mcso.org or the MCSO Jail Information line at (602) 876-0322.
